

School Supplies

We prepared the following **school supplies list** to help you make appropriate choices while your children are shopping for supplies for the next school year. Even though the school will continue to provide some of the supplies for your children, we chose to send you this list in the newsletter so you can get what your children may need while items are on sale in August. Please detach this page and save it on your fridge for later use. This list will also be posted in the school lobby. We appreciate your contributions.
